

Sister to Sister Prayer Call
Tuesdays at 9:00-9:15 p.m.

A prayer line available for women
with prayer requests and to pray for each other.

How it Works

Those that call in are not obligated to speak a prayer. Perhaps, you may need a moment to connect with others in silence. This is a quiet time of prayer. You may silently listen to prayer, Scriptures and testimonies.

Before the Prayer Leader prays she will ask for prayer requests. Then, she will read Scriptures followed by praying for all the requests that are mentioned. The Prayer Leader will be the only speaker at this point.
