RE: CBC Re-Entry Plan Communication #1

Date: July 23, 2022

Dear CBC Church Family and Friends,

The CBC Worship Planning Team, under the leadership of Pastor Bryant, has been working diligently over the past 2 years, and is excited to launch a series of Re-Entry Plan Communications. These communications will occur every 3-4 weeks and are intended to serve the dual purpose of (1) providing transparency into the Re-Entry planning process, and (2) keeping you abreast of plans, progress, challenges, and important upcoming changes.

In this first Re-Entry Plan Communication, we wanted to share that plans are underway to address the following primary re-entry plan dependencies:

- Clearing the attic of pests and rodents – *work begins Monday!*
- Upgrades to HVAC system with an Air Purification component – *Work has been scheduled*
- Deep cleaning of all facilities - *scheduling of work in progress*
- Upgrades to the AV system to support hybrid worship service and classes – *work in progress*
- Performing an impact assessment for each CBC ministry – *process form under development/review*

We also wanted to share the Re-Entry plan phased approach. This two-phased re-entry plan and the corresponding phase descriptions, are outlined in the table below. Work is underway to establish timeframes and criteria for entering/exiting each phase. The following will be required at all times while on-site: face masks (properly worn), social distancing, handwashing and sanitization, temperature checks, and vaccinations.

Phase I Hybrid (Near Term)	<ul style="list-style-type: none">• In-person and livestream Sunday Worship Services, and Sunday School• Virtual Wednesday Noonday Bible Study, Thursday Night Bible Study & Prayer, and Young Adult Ministry Bible Study• All Meetings will continue to be virtual.
Phase II Hybrid + (Longer Term)	<ul style="list-style-type: none">• In-person and livestream Sunday Worship Service, and Sunday School, Wednesday Noonday Bible Study, Thursday Night Bible Study & Prayer, and Young Adult Ministry Bible Study• Most meetings will continue to be virtual.

Rest assured that the Worship Planning Team is actively pursuing a safe re-entry plan that continues to provide a high-caliber virtual worship experience. In subsequent communications, we will share progress updates on the dependencies noted above as well as upcoming changes which will facilitate a smooth, safe re-entry.

Sincerely,

Worship Planning Team
