RE: CBC Re-Entry Plan Communication #2
Date: September 25, 2022

Dear CBC Church Family and Friends,

As promised, the CBC Worship Planning Team, under the leadership of Pastor Bryant, share with you the second in a series of communications concerning the work that is being done to facilitate the re-entry into in-person services. These communications are intended to serve the dual purpose of (1) providing transparency into the Re-Entry planning process, and (2) keeping you abreast of plans, progress, challenges, and important upcoming changes.

In this second Re-Entry Plan Communication, we wanted to update you on the progress that has been made following our first communication. The following primary re-entry plan dependencies have been completed:

- Clearing the attic of pests and rodents – *Completed*
- Upgrades to HVAC system with an Air Purification component – *Completed (final tests are underway)*
- Deep cleaning of all facilities - *Completed*
- Upgrades to the AV system to support hybrid worship service and classes – *Completed*
- Performing an impact assessment for each CBC ministry – *Completed*

As you remember from our first communication, we have devised a two-phased re-entry plan approach and the corresponding phase descriptions, are reiterated in the table below. Work is continuing to establish timeframes and criteria for entering/exiting each phase. The following will be always required while on-site: face masks (properly worn), social distancing, handwashing and sanitization, and temperature checks. According to CDC recommendations, vaccinations are highly encouraged.

Phase I Hybrid (Near Term)	<ul style="list-style-type: none">• In-person and livestream Sunday Worship Services, and Sunday School• Virtual Wednesday Noonday Bible Study, Thursday Night Bible Study & Prayer, and Young Adult Ministry Bible Study• All Meetings will continue to be virtual.
Phase II Hybrid + (Longer Term)	<ul style="list-style-type: none">• In-person and livestream Sunday Worship Service, and Sunday School, Wednesday Noonday Bible Study, Thursday Night Bible Study & Prayer, and Young Adult Ministry Bible Study• Most meetings will continue to be virtual.

In this second communication, we also want to advise as to what the “*New Normal*” will look like with respect to in-person services under COVID-19 protocols. These are in place to assure that everyone can enjoy an exciting, spirit-filled, but safe worship experience within our facilities. Your health and safety are of paramount concern as we develop these protocols. (*Please see the attached document.*)

The Team is working toward a projected entry into **Phase I Hybrid services on Sunday, October 9, 2022.**

Sincerely,

Worship Planning Team
